### MICHELL'S EVERGREEN SEED GARDENS, TORRESDALE, (ANDALUSIA STATION) PA.

Annual Inspection Day, August 27th, 1913, when our grounds were visited by over 800 private gardeners and florists. The picture shows a small section of frames and hotbeds. Our equipment here besides a valuable tract of highly cultivated land, consists of over 1000 hotbeds and frames, 10 modern greenhouses, packing sheds, superintendent's residence, office, etc. The latter are not shown on the Photo here. It is located at a point of easy access, along the Pennsylvania R. R. (N. Y. Division) just above Torresdale, Pa. It also can be reached by trolley via Frankford, Philadelphia. At this place we annually produce and dispose of hundreds of thousands of vegetable plants, hardy perennials in hundreds of varieties, pot grown roses, cannas, etc., etc. Here also is our seed testing carried on. In summer many interesting displays of flowers may be seen and visitors are welcome every day but the Sabbath.

# Michell's High Grade Bulbs for Florists

LIL. CANDIDUM

## LILIUM CANDIDUM (Ready in August)

(Also called Madonna, Annunciation or St. Joseph's Lily.)

Excellent for planting outdoors or for forcing moderately. Our bulbs are of the finest quality, and sure to give satisfaction. When planting, dust the bulbs thoroughly with flowers of sulphur, as this prevents the leaf curl and fungi from attacking it.

**NORTH OF FRANCE BULBS.** This is a wide or thick-petaled flower variety, free from disease and producing more blooms than the South of France strain.

	Doz.	100	1000
<b>Mammoth Size Bulbs</b> .....	\$1.00	\$6.75	\$57.50

### SOUTH OF FRANCE BULBS

<b>First Size</b> .....	\$0.65	\$4.50	\$42.00
<b>Mammoth Bulbs</b> .....	.80	5.50	45.00

2 to 2 1/2 inches in diameter.....	2.00	13.50	130.00

## GODFREY EVERBLOOMING CALLA

(Ready in August)

This is a popular variety for either cut-flower or pot-plant sales. For design work it is better than the California variety, as the flower is not so heavy and large. For planting in benches it is excellent and yields a continuous supply of waxy white flowers which are superb in every way. The bulb is somewhat smaller than the California Calla. **First-Size Bulbs**, free from disease, \$1.10 per doz.; per 100, \$8.50; \$80.00 per 1000.

## YELLOW CALLA ELLIOTTIANA (True)

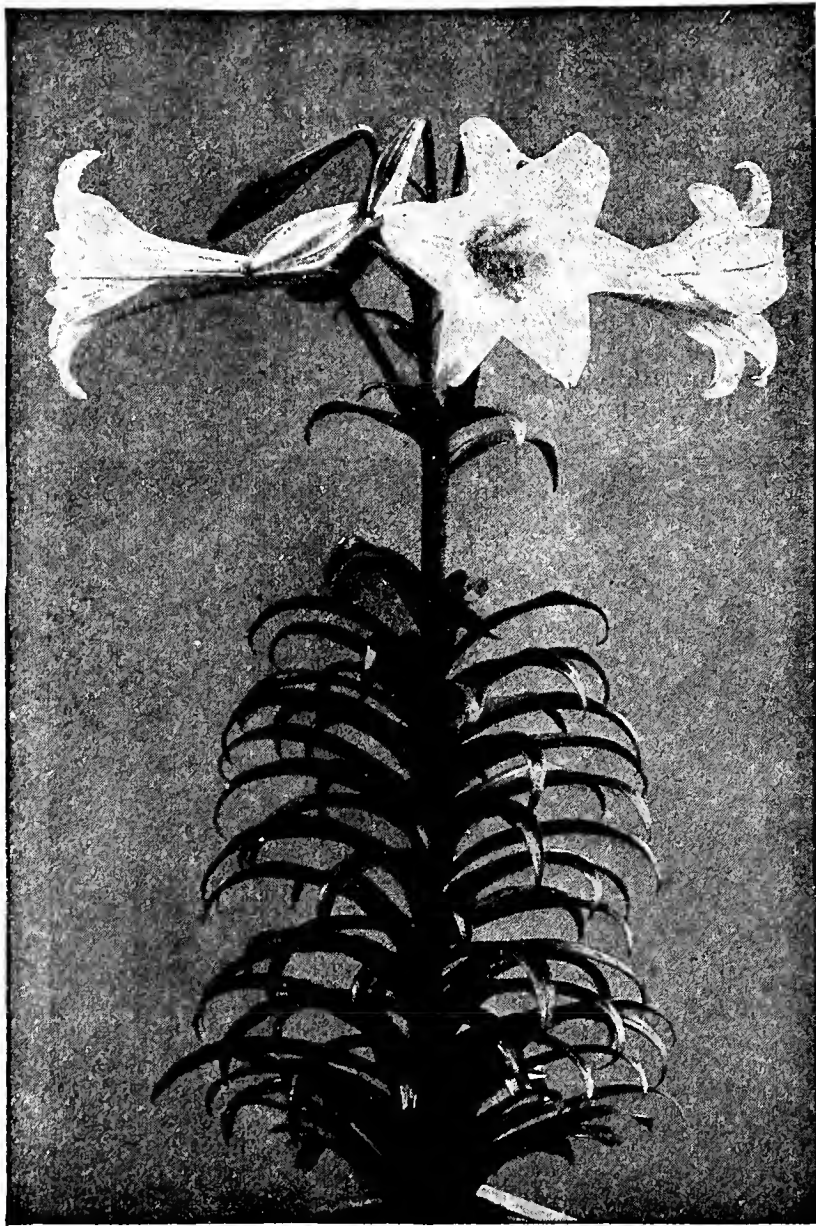

This grand variety, when properly introduced, will be in great demand. The rich, golden-yellow flowers are large and massive and sell on sight. Every florist should force a quantity of these; they will make him money. **Large Bulbs**, ready in October, \$1.75 per doz; per 100, \$12.50; \$115.00 per 1000.

<b>Black Callas</b> , ready in October.....	Per Doz.	100	\$0.85	\$6.00
<b>Spotted Callas</b> , ready in October.....	.60	4.00		

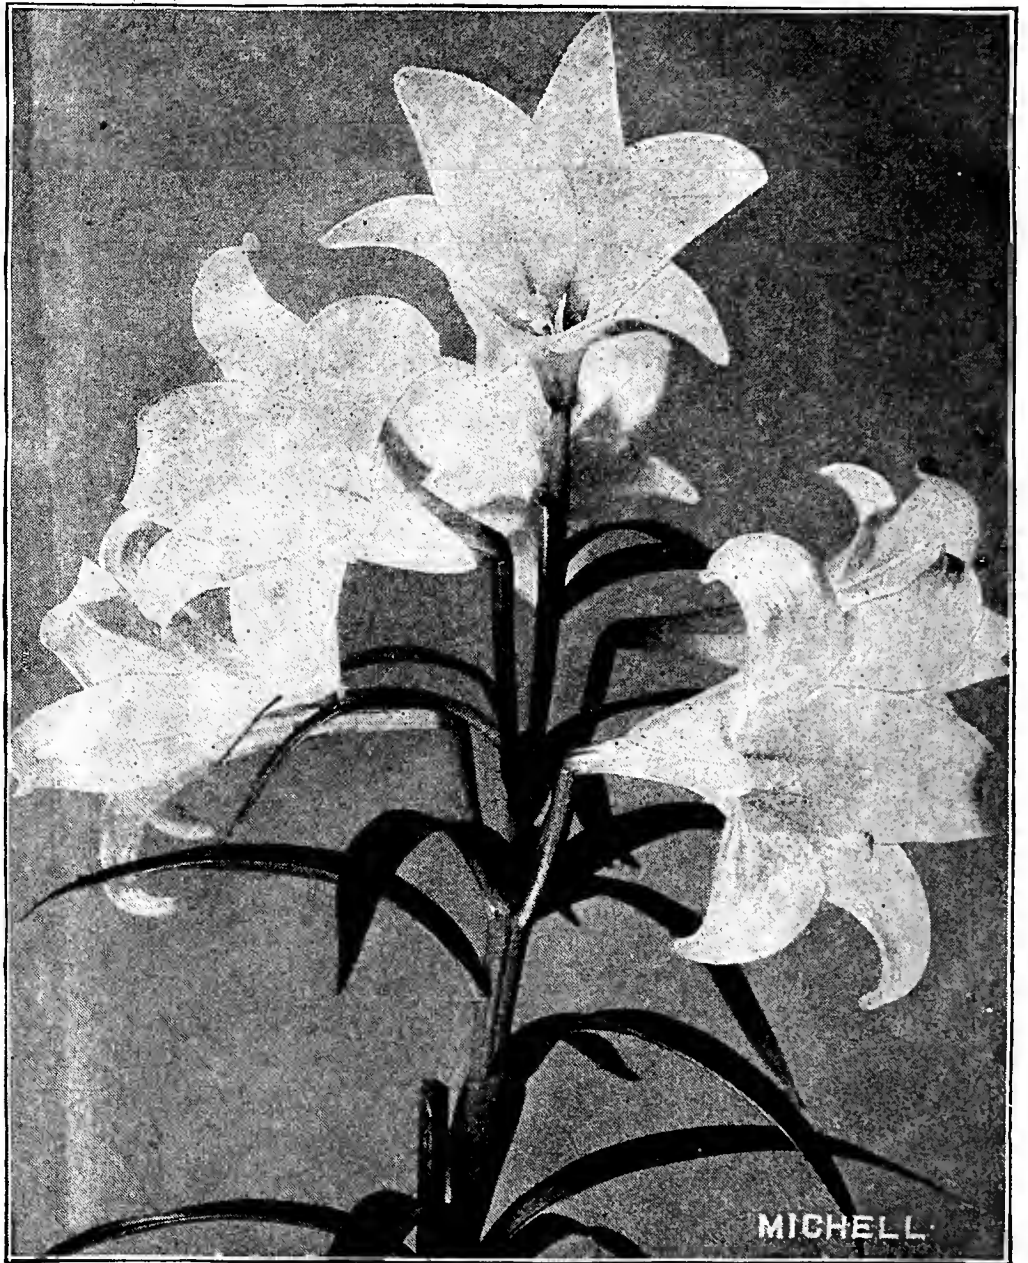

6 Bulbs of any one variety at dozen rate; 25 at 100 rate; 250 at 1000 rate

**24 YEARS OF SUCCESS IN BULB SELLING**

**Easter in 1915  
Comes April 4th**

*Lil. Harrisii (Michell's Special Brand)*

*Lil. Formosum*

**Michell's Superb Easter Lily Bulbs**

**LILIUM HARRISII (Michell's Special Brand)**

By special brand we mean Lilies that have been grown, harvested and packed especially for us. They are the cream of the Bermuda Lily Crop, being a selection of the most uniform bulbs gathered in districts where the smallest amount (if any) disease exists. Every year the florists are making greater demands for this particular strain and we advise ordering early.

Size	Number of Bulbs per Case	Per Doz.	Per 100	Per 1000
5 to 7 inches.....	400.....	\$0.75	\$4.50	\$42.00
6 to 7 inches.....	335.....	1.00	5.75	52.50
7 to 9 inches.....	200.....	1.50	9.50	87.50
9 to 11 inches.....	100.....	3.00	22.00	210.00

**LILIUM HARRISII (Regular Brand)**

Size	Number of Bulbs per Case	Per Doz.	Per 100	Per 1000
5 to 7 inches.....	400.....	\$0.70	\$4.25	\$38.00
6 to 7 inches.....	335.....	.85	5.25	48.00
7 to 9 inches.....	200.....	1.30	8.75	82.50
9 to 11 inches.....	100.....	3.00	21.00	200.00

**LILIUM FORMOSUM (Regular Green Stem Strain)**

This is a favorite type of Easter Lilies which proved so very satisfactory the last few years, desirable for early forcing. The green-stem variety is desirable for flowering in January, February and March. Dark stem for March and April bloom; crop is short, therefore immediate ordering would be advisable.

	Bulbs in each Case	Per Doz.	Per 100	Per 1000
6 to 8 inches.....	400.....	\$0.60	\$4.50	\$40.00
7 to 9 inches.....	300.....	1.00	6.75	62.50
8 to 10 inches.....	225.....	1.30	8.75	80.00

6 Bulbs of any one variety at dozen rates; 25 at 100 rates; 250 at 1000 rates.

# Michell's Superb Easter Lily Bulbs

(Lilies on this page, except those in Cold Storage, ready in October)

The Japanese Lilies offered on this page are grown especially for us on contract, and may be depended upon to give best results; each year we endeavor to improve the quality by a careful selection of only the finest and most healthy bulbs. We are sure our Lilies will please you.

## LILIUM LONG. MULTIFLORUM

This is the free flowering variety of Japan Easter Lilies and is grown extensively. We will send out only thoroughly ripened bulbs from the cleanest fields in Japan.

### MICHELL'S SPECIAL QUALITY

These are an extra selection from the finest bulbs in Japan. The stock has been very carefully rogued and all weaklings and otherwise undesirable looking bulbs have been discarded. **These should suit the Critical Florist.**

	Bulbs in each Case	Per Doz.	Per 100	Per 1000
6 to 8 inches.....	400.....	\$0.70	\$4.25	\$36.00
7 to 9 inches.....	300.....	1.00	6.50	60.00

9 to 10 inches.....	200.....	1.50	10.50	95.00
10 to 12 inches.....	150.....	2.25	15.00	140.00

## COLD STORAGE LILIES (Ready Now)

For forcing in all seasons, these usually bloom in 12 to 14 weeks. Every progressive florist should, from time to time, force a batch of them, as they are money-makers.

**Important Note.**—Always unpack immediately all cold storage Lilies on arrival. We forward these bulbs by express. If desired by freight, they travel at purchaser's risk. Cold storage Lilies are offered subject to being unsold when order is received.

### COLD STORAGE LILIUM GIGANTEUM

Extensively grown for Thanksgiving and Christmas.

Size	No. of Bulbs per Case	Per case	Per 100	Per 1000
6-8	350	\$18.50	\$6.50	\$52.50

" .....	11-13	100	17.50	.....
Rubrum .....	9-11	125	10.75	13.25

Michell's Easter Lilies were awarded first prize at the Spring Exhibit of Pennsylvania Horticultural Society, in Philadelphia, March, 1914.

# MICHELL'S FRENCH ROMAN HYACINTHS

We import these in tremendous quantities; in fact, there are very few who handle as many. We are thus in a position to procure the best stock on contracting for such large quantities; our grower always takes the best care of us, and we in turn can do the same with our customer. Our stock is up to size, fully matured and will give the finest results.

	Doz.	100	1000
<b>Dark Blue</b> , 12 to 15 ctm.....	\$0.40	\$2.40	\$22.00

<b>White</b> , 13 to 15 ctm.....	.60	4.00	38.00
<b>White Italian</b> , 12 to 15 ctm.....	.45	2.60	25.00

## CHRISTMAS HYACINTHS

We personally tested these out the past winter and found that, with a little care and attention, it was an easy matter to get this strain in flower for Christmas and New Year's.

The bulbs are harvested earlier than the other sorts and cured under special conditions. We have selected in our list only the sorts that produce large spikes, which will give satisfaction. If you have a store trade of Hyacinths, not alone these will prove a novelty, but also a money-maker. The bulbs are about as large as first-size named Hyacinths and will produce large flower spikes. They should be potted as soon as received and brought indoors as soon as the crown of the bulb shows well above the pot. When the bud is well developed they should be brought into gentle heat.

	Doz.	100	1000
<b>Gertrude</b> . Deep pink.....	\$1.25	\$8.50	\$80.00
<b>Grand Blanche</b> . Pure white.....	1.25	8.50	80.00
<b>L'Innocence</b> . Pure white.....	1.25	8.50	80.00
<b>Marie</b> . Dark blue.....	1.25	8.50	80.00
<b>Moreno</b> . Light rose.....	1.25	8.50	80.00
<b>Regulus</b> . Light blue.....	1.25	8.50	80.00

*Michell's Monster White Roman Hyacinths*

## DUTCH ROMAN MINIATURE OR PAN HYACINTHS (Mammoth Bulbs)

*Michell's Named Miniature or Dutch Roman Hyacinths*

We import fine, big bulbs of named varieties only, as these will be found far superior to the unnamed sorts offered at low prices. Dutch Roman Hyacinths are excellent for table decorations, to grow in pans of solid colors, anywhere from six to a dozen or more in a pan. By reason of their low price they should be grown extensively, especially the varieties which we list here, as they are all producers of enormous flower spikes.

	Doz.	100	1000
<b>Albertine</b> . Pure white, early.....	\$0.35	\$2.00	\$18.00
<b>Cardinal Wiseman</b> . Bright rose pink .....	.35	2.00	18.00
<b>Chas. Dickens</b> . Deep pink.....	.35	2.00	18.00

<b>Lord Derby</b> . Pale porcelain.....	.40	2.25	20.00
<b>Mad. van der Hoop</b> . Pure white..	.35	2.00	18.00
<b>Moreno</b> . Deep pink.....	.35	2.00	18.00
<b>Roi des Belges</b> . Fine deep crimson	.35	2.00	18.00

## HYACINTH GLASSES

There is quite a demand for these and we recommend a small stock to all who have a store trade.

**Belgian Pattern**, in white, blue and green. 15c. each; per doz., \$1.35; \$10.50 per 100.

**Tye (or Squat) Pattern**. Very heavy, with large base, in blue, green and white. 15c. each; per doz., \$1.35; \$10.50 per 100.

6 Bulbs of any one variety at dozen rate; 25 at 100 rate; 250 at 1000 rate

# **Dutch Roman Miniature Hyacinths**

are profitable for either pan or pot culture

---

**MICHELL'S NAMED VARIETIES**

produce gigantic spikes

---

We recommend that you grow same in addition to your  
regular order of Dutch Hyacinths

**MICHELL'S SEED HOUSE, Philadelphia**

# **Christmas Forcing Hyacinths**

---

We tested these out last year in our greenhouses and they proved to be all our grower claimed for them. Better order some; the stock is limited and Hyacinths at Christmas time will be eagerly sought after.

(See Other Side)

Ida, lemon.....	.60	3.75	35.00

## CHRISTMAS FORCING HYACINTHS (Single)

These are grown and especially cured for early forcing. We have personally tested them out and found them to force for Christmas and New Year's with ease. The bulbs are of large size, and are in varieties that have a record for producing large spikes. We recommend each grower of bulbs to try a few, as Dutch Hyacinths in bloom for Christmas are a profitable novelty.

Gertrude, deep pink.	Marie, dark blue.
Grand Blanche, pure white.	Moreno, light rose.
L'Innocence, pure white.	Regulus, light blue.

Prices on any of the above Christmas Forcing Hyacinths, \$1.25 per doz.; per 100, \$8.50; \$80.00 per 1000.

## DOUBLE HYACINTHS (First Size Named)

The Double Hyacinths do not produce trusses as large as do the single sorts, and florists should not depend on them to give large, perfect spikes; however, there are certain localities that demand them, and the list of varieties we offer is the best selection. We do not handle second size named Double Hyacinths.

RED AND PINK	Doz.	100
Czar Nicholas, delicate pink.....	\$0.85	\$6.00
Bouquet Royal, salmon pink, red centre.....	.85	6.00

# **MICHELL'S NARCISSUS**

**P. W. GRANDIFLORA (True Strain)**

Are the finest imported; our sales on these touch the million mark.

Order your supply where you know they'll be right—  
from us.

# **POLYANTHUS NARCISSUS**

Are becoming very popular with the ladies

---

We especially recommend

**GRAND SOLEIL D'OR,**

**GRAND MONARQUE,**

**WHITE PEARL**

as the best for forcing (See page 7)

# MICHELL'S RELIABLE NARCISSUS BULBS

## CHINESE SACRED LILY BULBS

We import these direct from China, where we get the selection of fine, sound bulbs. These sell readily on the store counter, and yield a handsome profit. We would recommend to force a few into flower, which can be done in about five weeks, and place the bulbs you desire to sell on the counter, with the blooming plant.

**Mammoth Size Bulbs.** \$1.50 per doz., per basket (30 bulbs), \$3.25, \$12.50 per bale (120 bulbs), \$100.00 per 1000.

**Regular Size Bulbs.** 60c. per doz., per basket (30 bulbs), \$1.10. \$4.25 per bale (120 bulbs), \$32.00 per 1000.

## PEBBLES FOR CHINESE LILIES

40c. per doz. quart packages, per 100 \$3.00; 50 at 100 rate.

## POLYANTHUS NARCISSUS

First size bulbs.....	.12	.65	5.50
Mammoth size bulbs.....	.15	.85	7.50

(Single Narcissus continued on page 8.)

*Single Narcissus Emperor. This is one of the finest and largest flowering commercial sorts for the florist.*

# MICHELL'S RELIABLE NARCISSUS BULBS

A pot containing 6 bulbs of "EXTRA EARLY STRAIN" GOLDEN SPUR NARCISSUS. You can count 12 flowers. Each was perfect in form and size. The bulbs were selected at random and planted in October. The photo was taken right after New Year's.

## EXTRA EARLY STRAIN NARCISSUS GOLDEN SPUR

(Ready in August)

In comparison with the regular Dutch strain, planted side by side at the same time, we found these to be from ten days to two weeks earlier. If anything, the flowers were larger and the stems 2½ to 3 inches longer. The bulbs are very free-flowering and we predict for this strain a wide future. We recommend it for Christmas or New Year's forcing. Stock limited:

**First Size Bulbs.** 30c. per doz.; per 100, \$2.00; \$18.00 per 1000.

**Mammoth Bulbs.** 40c. per doz.; per 100, \$2.50; \$22.50 per 1000.

## SINGLE NARCISSUS—Continued

	Doz.	100	1000
Sir Watkin. Golden yellow.....	\$0.25	\$1.50	\$12.50

### TRUMPET MAJOR FRENCH (Ready in August)

This famous type is desirable for early forcing, coming into market at a time when it can command the highest price. We would recommend all florists to plant a quantity of these if they want a money-maker. We handle the large size bulbs only. Mammoth Bulbs. 25c. per doz.; per 100, \$1.50; \$13.00 per 1000.

**Trumpet Major (Dutch grown).** A grand, pure yellow trumpet type, excellent for early forcing or for planting outdoors. Height, Doz. 100 1000 about 16 inches.....\$0.18 \$1.00 \$9.25

**Wm. Goldring.** A pure white trumpet variety, one of the best of its class..... .30 1.40 12.00

**Single Mixed Narcissus.** For outdoor planting ..... .12 .75 6.75

**Special Note.** Our strains of Double Narcissus Von Sion cannot be surpassed. We handle only true Dutch-grown stock, which produces perfectly double flowers of the purest shade of yellow. You will make no mistake in placing your order for these (as well as any bulbs) with us.

## DOUBLE NARCISSUS

# MICHELL'S DOUBLE EARLY TULIPS

The Number Before the Variety Indicates the Height

We have carefully revised our list this season, dropping some of the older varieties and adding up-to-the-minute sorts, for forcing and bedding.

Double Tulip—*Couronne d'Or*

## Named Double Tulips

	Doz.	100	1000
8 <b>Cochineal.</b> Brilliant scarlet; splendid forcer and bedder.....	\$0.35	\$1.75	\$16.00
10 <b>Couronne d'Or.</b> A handsome rich yellow variety; forcer.....	.25	1.85	17.00
10 <b>Couronne des Roses.</b> Bright, early pink; fine forcer .....	.40	2.25	21.00
9 <b>Gloria Solis.</b> Bright scarlet with deep yellow border; for bedding or forcing..	.20	1.15	10.50
9 <b>Imperator Rubrorum.</b> Brilliant scarlet; especially adapted to forcing while it makes a handsome bedder.....	.25	1.60	14.50
10 <b>La Candeur.</b> Very large, pure white; for forcing or bedding.....	.20	1.00	8.50
10 <b>La Coquette.</b> Orange, flaked yellow; for forcing or bedding.....	.30	1.75	16.00
12 <b>Le Matador.</b> Dazzling scarlet; for forcing or bedding.....	.30	1.75	16.00
14 <b>Lucretia.</b> Deep rose; splendid forcer....	.35	1.90	17.50
7 <b>Murillo (True).</b> A very large pink sort, suffused white; one of the best forcers..	.20	1.00	8.00
10 <b>Princess Beatrice.</b> Delicate pink, flushed white .....	.25	1.15	10.00
8 <b>Rose Blanche.</b> Pure white; suitable for bedding or forcing.....	.15	.85	8.00
12 <b>Rose de la Montagne.</b> White, flushed pink; easy forcer; fine for pot culture; semi-double.....	.25	1.20	10.00
8 <b>Rubra Maxima.</b> Dazzling scarlet; early forcer and good bedder.....	.25	1.40	12.00
8 <b>Salvator Rosa,</b> An improvement on Murillo, which it very much resembles....	.25	1.50	14.00
12 <b>Tea Rose (Safrano or Brimstone Beauty or Yellow Murillo).</b> Salmon yellow similar in shade to the Marechal Niel Rose .....	.50	3.25	31.00

### TESTIMONIAL

3/24/13.

I was well pleased with the Tulips and Hyacinths received from you last fall. They were the finest and largest I ever had.

Windber, Pa.

J. Y.

## Named Double Tulips

8 <b>Titian.</b> Red with a yellow border; good for bedding, but not for early forcing..	Doz. \$0.25	100 \$1.45	1000 \$13.50
8 <b>Toreador (New).</b> A handsome rich orange. It should be included in every collection of forcing Tulips.....	.45	2.75	26.00
8 <b>Tournesol. Red and Yellow;</b> for forcing and bedding.....	.30	1.90	17.50
8 <b>Tournesol. Orange Yellow;</b> forces readily and is most desirable for cutting....	.25	1.60	14.50
8 <b>Vuurbaak.</b> Rich scarlet, for forcing and bedding .....	.25	1.65	15.00
10 <b>William the Third.</b> Bright red, very large; excellent bedder.....	.25	1.45	13.00
9 <b>Yellow Rose.</b> Blooms quite late outdoors and should not be planted with any early sort; it also will force slowly and late..	.15	.90	8.00

## DOUBLE UNNAMED TULIPS (Separate Colors)

These are very valuable for solid-color bedding where no particular design is to be carried into effect and where expense is considered. Not suited for forcing.

	Doz.	100	1000
<b>Pink,</b> in all shades.....	\$0.15	\$0.90	\$7.50
<b>Red,</b> in all shades.....	.15	.90	7.50
<b>White,</b> in all shades.....	.15	.90	7.50
<b>Yellow,</b> in all shades.....	.15	.90	7.50

## MICHELL'S EARLY DOUBLE MIXED TULIPS

These mixtures are carefully blended with the choicest varieties taken from the named sorts. The bulbs are selected for size, and the mixture represents a grand array of colors.

	Doz.	100	1000
<b>Fine Quality</b> .....	\$0.12	\$0.75	\$6.75
<b>Superfine Quality</b> .....	.15	.85	7.50

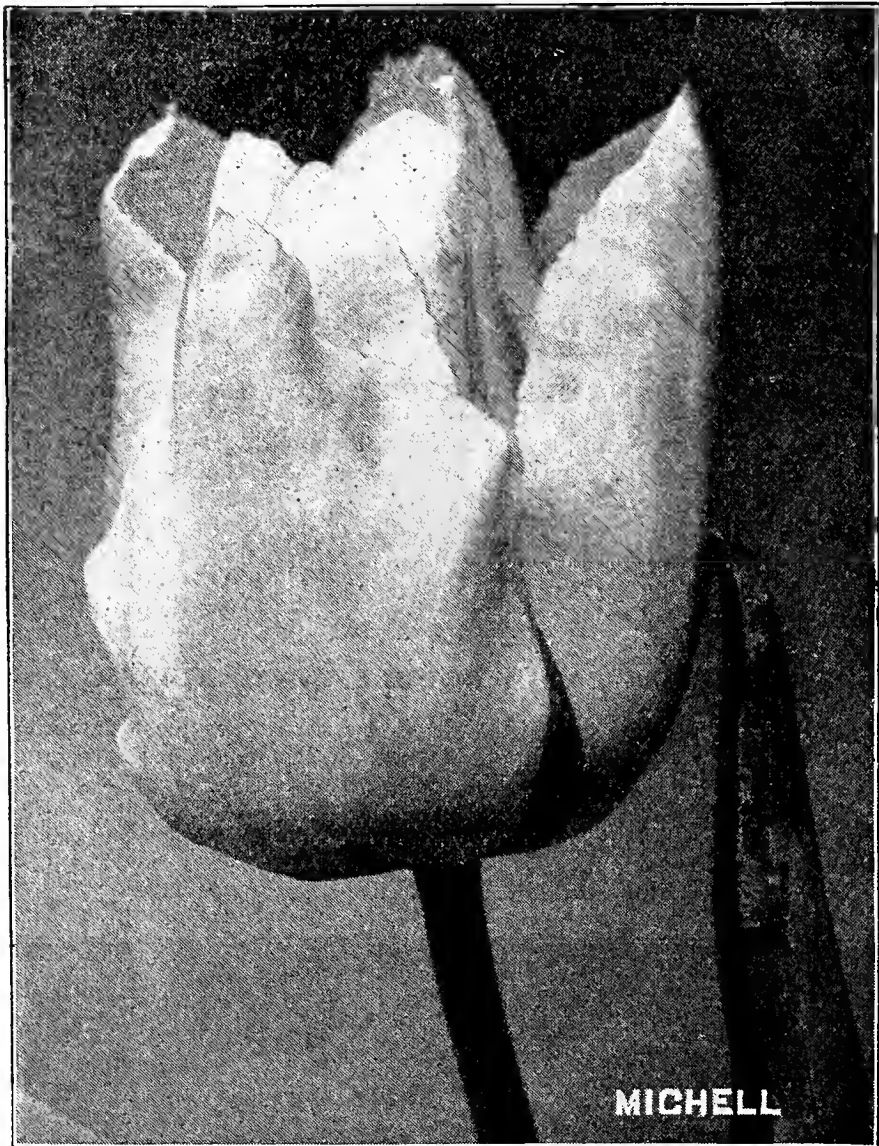

For Double Late Mixed Tulips see page 11.

Double Tulip—*Salvator Rosa*

# MICHELL'S SINGLE EARLY TULIPS

Our Tulip bulbs are grown in the best districts of Holland to insure perfect development and full-sized stock. Those who place their order with us may be sure of getting bulbs that will not only bloom, but also prove true to name. The figure in front of the variety denotes the approximate height, while the asterisk (\*) denotes that the variety is suited to forcing as well as bedding. Arranged according to color for easy reference.

Early Single Tulip White Hawk

## RED AND SCARLET VARIETIES

	Doz.	100	1000

Early Varieties, Fine Quality.....	\$0.10	\$0.70	\$6.00
Early Varieties, Superfine Quality.....	.15	.80	7.00

(See next page for Single Late Tulips.)

# Michell's Late Flowering Tulips

Many of this class, especially the Darwin varieties, are now being planted by progressive florists for a supply of Spring cut flowers. Many of the named Darwin varieties are particularly desirable, when forced very slowly. The Cottage Garden Varieties embrace a wide field of colors and will be found to furnish a handsome supply of cut blooms that will bring in a good revenue with little or no labor involved. We recommend especially that the solid-color varieties be planted for florists' use. The figures in front of the variety denote the approximate height when in bloom outdoors.

*Picotee* (See Offer under Cottage Garden Tulips)

## DARWIN TULIPS

	Doz.	100	1000
24 <b>Baronne de la Tonnaye.</b> Vivid rose; one of the best forcers.....	\$0.40	\$2.25	\$20.00

## PARROT OR DRAGON TULIPS

These belong to the late-flowering class, and, on account of their peculiar markings and shadings, are much in demand. They are curiously curled and crested. We offer first-size bulbs only.

- Constantinople.** Orange scarlet, with black markings in centre. 20c. per doz., per 100, \$1.00, \$9.00 per 1000.
- Gloriosa.** A very showy orange and red sort. 20c. per doz., per 100, \$1.00, \$9.00 per 1000.
- Lutea Major.** Very large, bright yellow striped. 20c. per doz., per 100, \$1.00, \$9.00 per 1000.
- Preciosa.** Red with yellow stripes. 20c. per doz., per 100, \$1.00, \$9.00 per 1000.
- Markgrave of Baden.** Yellow, striped scarlet and green. 20c. per doz., per 100, \$1.00, \$9.00 per 1000.
- Mixed** in all colors. This mixture contains only the choicest sorts. 15c. per doz., per 100, 85c., \$7.50 per 1000.

## LATE TULIPS IN MIXTURE

- Bizarres.** A combination of colors, principally yellow ground with markings and stripings of red, white and orange. 15c. per doz., per 100, 90c., \$8.25 per 1000.
- Bybloemen.** A wide range of combinations of white, scarlet, pink and crimson. 15c. per doz., per 100 \$1.00, \$9.00 per 1000.
- Darwins.** Extra large bulbs. 20c. per doz., per 100, \$1.25, \$10.50 per 1000.
- Double Superfine Mixed.** Many prefer these, as they last longer than the single. 20c. per doz., per 100, \$1.00, \$8.00 per 1000.
- Parrot Mixed.** 15c. per doz., per 100, 85c., \$7.50 per 1000.
- Single Superfine Mixed.** This mixture embraces almost every type of single late Tulips. 20c. doz., 100, \$1.00, \$8.50 per 1000.

# Michell's "Distinctive" Flower Seeds

**Especially Selected for Florists' Trade for Summer and Early Fall Sowing**

"Distinctive" Strains of Flower Seeds for the florist is one of the most important branches of our business; we constantly aim to secure for the florist only the most improved strains such as must give instant satisfaction. Our wonderfully increased trade is our best proof for this claim. A trial order from the most critical florist will prove for itself.

**Note**—Half-trade packets are only supplied where listed; where smaller quantities are wanted than that listed, retail packets may be ordered at a discount of 33 1/3 per cent. from our retail catalogue prices.

For the convenience of our customers and to facilitate the filling of orders, we have affixed numbers to all varieties of Flower Seeds, and in ordering it is only necessary to give quantity wanted and the number.

## Achillea

Perennial, flowering continuously all summer.

20 **Ptarmica, fl. pl. "The Pearl."** Double White..\$0.05 Trade Pkt. Oz. \$3.00

**MICHELL'S GIGANTEUM CYCLAMEN (Continental Strain)**

This is grown for us exclusively by a specialist, but on the Continent, and the distinction between the former and this strain is, that the Giganteum strain produces comparatively smaller flowers but twice and three times the number of flowers at one time.

		100	1000
		Seeds	Seeds

**A Few Facts about Michell's Giant Exhibition Pansy Seed**

ITHACA, MICH.

GENTLEMEN:—Please send me as soon as possible one trade packet of your Giant Pansy seed. I bought a packet of you last year and got a fine lot of plants that gave splendid results this year; they were the admiration of all who saw them, and the best thing in Pansies I ever saw.

Respectfully,  
F. W. B.

SPRING CITY, PA.

DEAR SIR:—Please send me one-eighth ounce of your Giant Exhibition Pansy seed. The seed I purchased of you last fall produced the finest variety of colors.

Yours truly,  
A. S. C.

Michell's Prize Chinese Primula

## MICHELL'S "DISTINCTIVE" PRIMROSES

### PRIMULA CHINENSIS

It is with no little amount of pride we offer this superb strain, grown for us exclusively by one of the best specialists in Europe. The plants are compact, individual and cluster of flowers immense, colors superb and mostly fringed petals. If you grow Primulas remember Michell's "Distinctive". Quality is the best.

	½ Trade Pkt.	Trade Pkt.	Oz.

1948 " Alba. White.....	.40	
1965 Japonica. Perennial; lavender blue.....	.30	1.25

## MICHELL'S "DISTINCTIVE" STOCKS

For years we have made a specialty of supplying "distinctive" strains and have built up a reputation bar none. Our stocks are easily distinguished by their superior quality, strong germination, and a remarkably small percentage of single flowers.

### MICHELL'S FLOWER MARKET STOCK

A branching stock of remarkable vigor of growth and size of bloom; produces its flowers evenly distributed over the stem and very early. A single plant will produce from 10 to 15 separate flower branches. The type is of *Cut-and-Come-Again*, but much superior to what is usually known by that name.

	½ Trade Pkt.	Trade Pkt.	Oz.
2053 Pure White.....	\$0.30	\$0.50	\$3.00

**New Winter Flowering SWEET PEA**

**Rose Queen (Orchid Type)**

If you are a grower of Winter Flowering Sweet Peas, you naturally look for the very best strain procurable. The Indianapolis Sweet Pea called "ROSE QUEEN" is without question the finest Sweet Pea introduced for many a year. Orchid Flowering, borne on long stems, extremely free and early and of a pink color most attractive, it is a decided acquisition, and like all meritorious novelties is sure to be in demand wherever grown.

Prices: ¼ oz., \$3.25; \$6.00 per ½ oz.; 1 oz., \$12.00; \$33.00 per 3 oz.; 8 oz., \$80.00; \$150.00 per lb.

New crop seed ready in August. Order early. Stock is limited.

# 24 MICHELL'S SUPERIOR MUSHROOM SPAWN

**NEW LOT  
NOW READY**

## Brandywine Pure Culture Spawn

This type produces heavy, short-stemmed mushrooms of uniform size. The bricks are inoculated with Pure Spawn culture in the same manner as the "Lambert" strain. While this brand is comparatively new, it bids fair to become very popular in a short while; the bricks are larger than other brands.

1 Brick.....	\$0.25
1 Brick, postpaid.....	.35
5 Bricks.....	1.15
12 Bricks.....	2.15
25 Bricks.....	4.00
50 Bricks.....	7.50
100 Bricks.....	15.00
1000 Bricks.....	150.00

## Lambert's Pure Culture Spawn

This type produces larger mushrooms than the English, coming into bearing somewhat earlier, and continuing for a longer time.

**Direct No. 8 Cream White.** For use from April to October.

**Direct No. 9 Pure White Type.** For use from October to April.

# MICHELL'S <sup>POT GROWN</sup> STRAWBERRY PLANTS <sup>25</sup>

**EXTRA SELECTED STOCK—Strong and Well Rooted. Will Yield a Full Crop of Berries Next Season.**

The time of shipment is from about August 15th to October 1st. The advantages in planting pot-grown strawberry plants are realized by a full crop of berries the following year. Our plants are carefully grown in clay pots and, prior to shipment, are transferred with the original ball of earth at their roots to substantial paper pots in which they are forwarded, thus insuring the buyer getting them in first-class order and reducing the transportation charges about 25 per cent.

*Every florist should have a strawberry patch.*

Full description of these varieties will be found in our July Retail Catalog.

*Chipman*

## Early Varieties

Abington (Perfect).  
Chipman (Perfect).  
Senator Dunlap (Perfect).  
Success (Perfect).

## Midseason Varieties

Glen Mary (Pistillate).  
Haverland (Perfect).  
Norwood (Perfect).  
New Home (Perfect).  
Sample (Pistillate).  
Sharpless (Perfect).  
Steven's Late Champion (Perfect).  
Superior.

Price of any of these varieties in extra strong pot grown plants, ready in August, 45c. doz.; per 100, \$3.00; \$25.00 per 1000.

## New Autumn Fruiting Strawberries

The varieties offered by us have been grown in many parts of this country and have given splendid results. The buds should be kept cut off until August 1st, so as to conserve the strength of the plants for the fall crop.

	Doz.	100	1000		Doz.	100	1000		Doz.	100	1000
Americus	\$0.60	\$4.00	\$35.00	Progressive	\$1.00	\$7.00	\$65.00	Superb	\$0.60	\$4.00	\$35.00

## Seasonable Vegetable Plants

These we grow ourselves in large quantities and can fill orders promptly. Shipment can be made best by express only.

### CELERY PLANTS (Ready Early in July)

Extra large stocky plants

**Boston Market.** An elegant dwarf sort, a good winter keeper, fine taste, crisp and nutty.

**Dwarf Golden Heart.** The best of the half-dwarf varieties; stalks large and full; the heart is golden yellow, turning to a light color when blanched.

**French Golden Self-Blanching.** An early sort. The heart is a rich golden-yellow, with light yellowish-green outer leaves. 40c. per 100, \$3.50 per 1000.

**Giant Pascal.** The best for late winter and early spring use; remaining in condition for use the longest of any.

**White Plume.** The White Plume is unsurpassed for fall and early winter use, requiring very little earthing to blanch it.

**Winter Queen.** This variety grows a very thick, solid and heavy stalk, and has a large heart. It is a close, compact grower, and when blanched is a creamy-white color.

Prices (except where noted): 35c. per 100, \$3.00 per 1000, by express not prepaid.

### ARTICHOKES

**Green Globe, or French.** (Pot grown.) Our plants were started very early and are in excellent shape to stay outdoors the coming winter (with protection). \$1.00 per doz. plants; per 100, \$7.00.

### BRUSSELS SPROUTS (Ready July 1st)

**Matchless Improved.** The plants should be cultivated and kept free from insects. Pull off the leaf stems as the sprouts begin to appear so they may develop perfectly. 35c. per 100; \$2.75 per 1000.

### CABBAGE (Ready July 1st)

**Late Flat Dutch.** A short stemmed, large, flat-head variety; very solid. 30c. per 100; \$2.50 per 1000.

**Perfection Drumhead Savoy.** A very curly dark-green sort; well flavored. 30c. per 100; \$2.50 per 1000.

**Red Dutch Drumhead.** It is an excellent winter keeper. 30c. per 100; \$2.50 per 1000.

*White Plume Celery*

# Azaleas for 1914 Autumn Delivery

**Orders Booked Till Aug. 15th Only**

AZALEA  
INDICA

## EARLY OR CHRISTMAS VARIETIES

- Hexe.** Deep crimson.
- Mme. Petrick.** Beautiful rose, splendid for Easter forcing.
- Niobe.** Pure white. On account of its peculiar fault, we cannot guarantee the safe arrival of Deutsche Perle, so recommend "Niobe" instead, as it is superior in every way.
- Simon Mardner.** Pink, very large.
- Vervaeneana.** Variegated. Best early and late forcer.
- Vervaeneana Alba.** White; splendid forcer.

These are produced for us by the best grower in Belgium, who personally selects shapely, bushy plants with plenty of buds. Shipments usually arrive the early part of October, and in order to avoid disappointment to customers by either getting their Azaleas in too late or not being able to get them at all, we will book orders up to August 15th only. After that date a careful selection is uncertain, by the time orders reach Europe. Our varieties are those principally in demand by leading florists.

No import order booked for less than 12 plants.  
We handle Azaleas on import orders only.  
Prices are f. o. b. Philadelphia, duty and packing free.

## LATE OR EASTER VARIETIES

- Anna Gunckel.** Pure white, double flowers.
- Chicago.** Large double, deep carmine banded with pure white.
- Empress of India.** Variegated. Salmon, red and white.
- John Peeters.** Double, deep carmine.
- L. Van Houtte.** Enormous bright rose with deep crimson spot.
- Madame van der Cruyssen.** Grand variety; a bright pink.
- Marie Planchon.** Semi-double, snow-white, frilled edges.
- Niobe.** Very double; ivory white, perfect form.
- Paul Weber.** Variegated rose.
- Professor Wolters.** Violet with red centre, white edges.
- Schryveriana.** Delicate scarlet, carmine spots, white edges.
- Sigismund Rucker.** Lilac rose, bordered white.
- Vervaeneana.** Variegated.

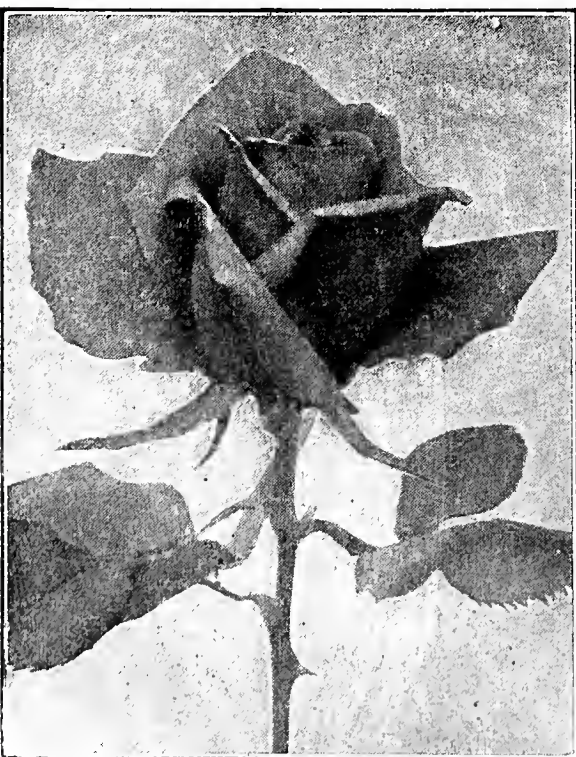

### PRICES

	Per Doz.	Per 100
12-inch diameter crowns.....	\$6.50	\$45.00
13 to 14-inch diameter crowns.....	8.00	60.00
14 to 16-inch diameter crowns.....	9.00	70.00
16 to 18-inch diameter crowns.....	20.00	150.00
18 to 20-inch diameter crowns.....	27.50	200.00

These prices are f. o. b. Philadelphia, no charges for packing, customs duty, etc., which are usually very high.

## HYBRID PERPETUAL AND CLIMBING ROSES Field Grown, Extra Strong Stock, for Delivery Fall, 1914

On account of the most excellent quality of this class of stock, which is sent us each year by our grower in Europe, we will undertake to book orders up to October 1st. After that date it will be too late to get a good selection of strong plants from abroad. As we grow many of the same varieties in our own nurseries at Andalusia, as far as possible we will fill orders from home-grown stock until same is exhausted. Our soil seems to be especially suited to produce strong, thrifty plants. Pot-grown Roses for spring and Decoration Day sales are profitable for the florist to handle.

### Hybrid Perpetual Varieties

- American Beauty.** Deep pink.
- Baroness Rothschild.** Pink.
- Capt. Christy.** Pink.
- Clio.** Flesh pink.
- Fisher Holmes.** Red.
- Frau Karl Druschki.** White.
- Gen. Jacqueminot.** Crimson.
- La France.** Rose pink.
- Magna Charta.** Pink.
- M. Dickson.** White.
- Mme. Gab. Luizet.** Pink.
- Mrs. Jno. Laing.** Pink.
- Mrs. R. G. Sharman Crawford.** Pink.
- Paul Néyron.** Deep pink.
- Prince Camille de Rohan.** Crimson.
- Soleil d'Or.** Yellow.
- Ulrich Brunner.** Deep pink.

Any of the above Hybrid Perpetual Roses \$2.25 per dozen; per 100, \$16.00.

Many of these will be on own roots and others budded, according to the size of stock at shipping time.

### Climbing Varieties

	Doz.	100
<b>American Beauty (Climbing).</b> Rose pink.....	\$3.25	\$25.00
<b>American Pillar.</b> Single pink.....	2.25	16.00
<b>Baltimore Belle.</b> Blush.....	2.25	16.00
<b>Christine Wright.</b> Pink.....	3.25	25.00
<b>Crimson Rambler.</b> Red.....	2.25	16.00
<b>Dorothy Perkins.</b> Pink.....	2.25	16.00
<b>Excelsa.</b> Scarlet.....	2.25	16.00
<b>Flower of Fairfield.</b> Crimson.....	2.25	16.00
<b>Hiawatha.</b> Single scarlet.....	2.25	16.00
<b>Lady Gay.</b> Pink.....	2.25	16.00
<b>Tausendschoen.</b> Soft pink.....	2.25	16.00
<b>White Dorothy Perkins.</b> White... ..	2.25	16.00
<b>Yellow Rambler.</b> Yellow.....	2.25	16.00

Most of the Climbing Roses offered above are on their own roots.

### Dwarf (or Baby) Rambler

- Baby Rambler (N. Lavasseur).** Crimson.
- Catherine Zeimet.** White.
- Erna Terschendorff.** Scarlet.
- Jessie.** Red.
- Mrs. W. Cutbush.** Pink.
- Phyllis.** Cerise pink.

Any of the above Dwarf Ramblers, \$2.25 per dozen; per 100, \$16.00.

On account of the close price at which we sell this stock, no order will be booked for less than 50 Roses and not less than 12 of a variety. Prices on Roses are duty and packing free, f. o. b. Philadelphia. This offer on Roses is subject to stock being unsold when order is received abroad.

# MICHELL'S GORGEOUS PAEONY ROOTS

## Special Prices for Import Orders Received Up to September 1st

**We Guarantee Our Paeonies to be True to Name**

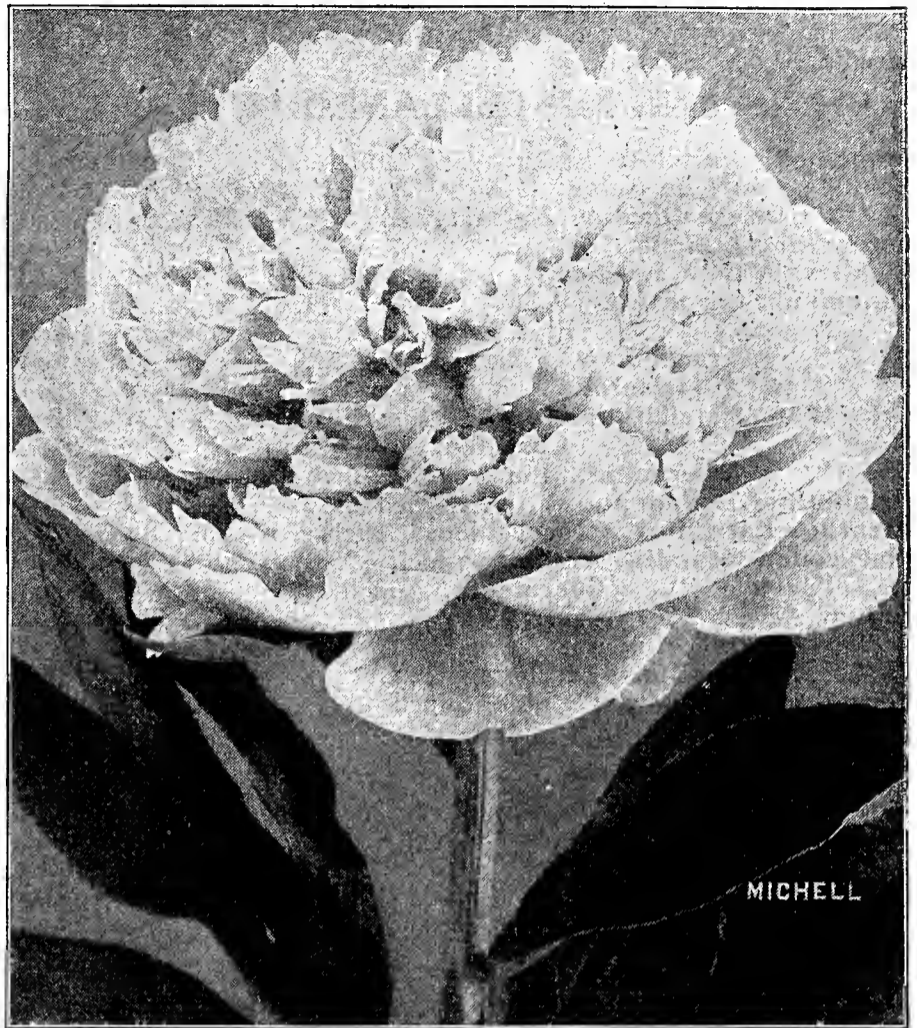

Paeonies are rapidly coming to the foreground and are now considered by the florists an indispensable cut flower. Festiva Maxima and Officinalis types are usually ready in the latitude of Philadelphia by Decoration Day. The flowering period of others is carried through the month of June. Paeonies require, after planting, practically no attention except a top dressing of well-rotted manure in the late autumn. They respond to this treatment by producing an extra large crop of flowers. No insect attacks the Paeony. Autumn is the best time for planting, the roots generally flowering the following spring. **Be Progressive; Plant Paeonies.** While we aim to have a constant supply of roots at our nursery growing on from the previous year, we prefer to have our grower in Europe fill special import orders for our customers. We have found that European-grown Paeony Roots are much more vigorous than American stock. Orders for import are booked up to September 1st only, subject to stock on hand when order is received in Europe, after which period we will endeavor to fill orders from our own nursery stock.

### WHITE AND LIGHT SHADES

	Doz.	100
<b>Agnes Mary Kelway.</b> White tinted rose, while the centre is cream.....	\$1.75	\$12.00

<b>Rosea.</b> Double pink.....	1.50	10.00	90.00
<b>Rubra.</b> Double red.....	1.25	8.00	70.00

### CULTURAL NOTE ON PAEONIES

Autumn is one of the best times for planting. The soil should be well enriched with well-rotted manure. The roots should be set about 3 feet apart in rows, the latter 4 feet apart, to enable them to be cultivated with horse machines. The crowns should not be set more than 4 inches below the top of the soil; deeper planting may mean fewer flowers, sometimes none. Cultivate them freely, prior to and after the flowering season. In the spring, as soon as the ground can be worked, plow or work in a heavy coating of well-rotted manure.

# Miscellaneous Plants for Summer and Autumn Delivery

The following plants (except seedlings mentioned below) are in excellent condition for shipping now, being for the most part from batches that were either sown or repotted too late for spring sales. Our September Catalog will contain a complete list of perennials for fall planting.

## VINES AND MISCELLANEOUS PLANTS

**PANSY SEEDLINGS**—Strong, thrifty plants. (*Ready in August*)  
**Michell's Giant Exhibition Strain.** In finest mixture. 75c. per 100; per 1000, \$6.00.

**BELLIS PERENNIS SEEDLINGS.** (*Ready in August.*) Extra strong, thrifty stock.  
**Monstrosa, Pink.** 75c. per 100; per 1000, \$6.00.  
**Monstrosa, White.** 75c. per 100; per 1000, \$6.00.

**MYOSOTIS SEEDLINGS.** Strong plants from the finest seed selections.

**Alpestris Victoria.** 75c. per 100; per 1000, \$6.00.  
**Dissitiflora.** 75c. per 100; per 1000, \$6.00.  
**Palustris Semperflorens.** 75c. per 100; per 1000, \$6.00.

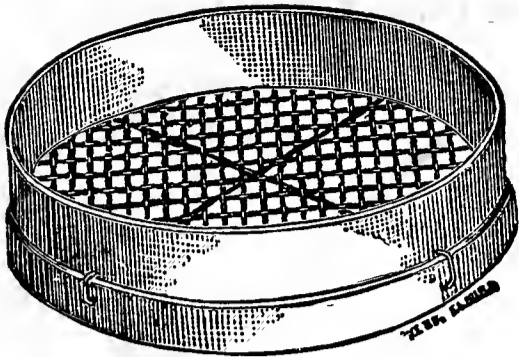

The above Seedlings must not be compared with low-priced, spindly stock. *We cannot execute orders for less than 100 Seedlings of a kind.*

We recommend shipment of Seedlings by express, as Parcel Post delivery of plants is unreliable.

### TESTIMONIAL ON ROSES

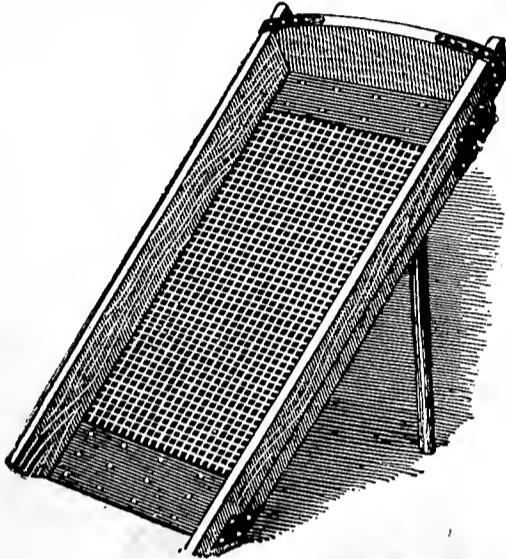

We received the plants all right, and are much pleased with them, especially the roses. I am more pleased with these plants than any I have ever bought, and when I need more will give you my order.  
 Yours very truly,  
 Magnolia, Va.                      MRS. B. F. CULPEPPER.

The Pansies you have furnished are the best I have ever seen. In fact everything from the Henry F. Michell Company is good.  
 Jos. KOSTRZEWSKI,  
 Care of Mrs. H. J. LUTCHER, Orange, Texas.

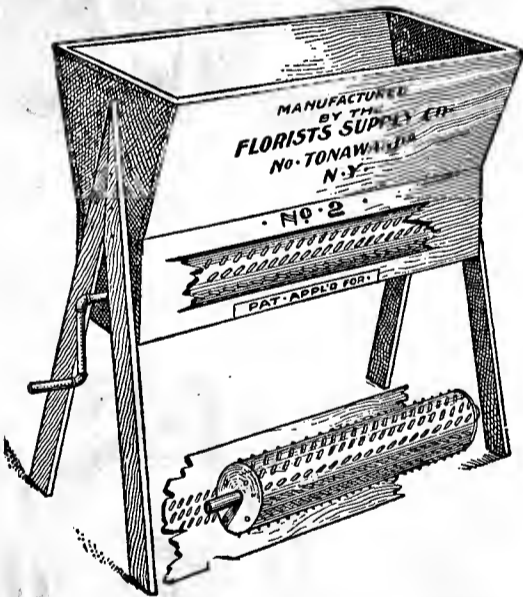

**SIEVES (ANY SIZE MESH)**

Made extra well, of galvanized wire and hard wood. Each  
 20-inch Foundry (extra heavy).....\$0.75  
 20-inch Regular wire......65  
 18-inch Regular wire......55

**Large Upright Sieve** for soil, gravel, sand, etc. Made in any size mesh, of extra heavy foundry wire, \$7.25 each.

**Sod Crusher and Soil Pulverizer**

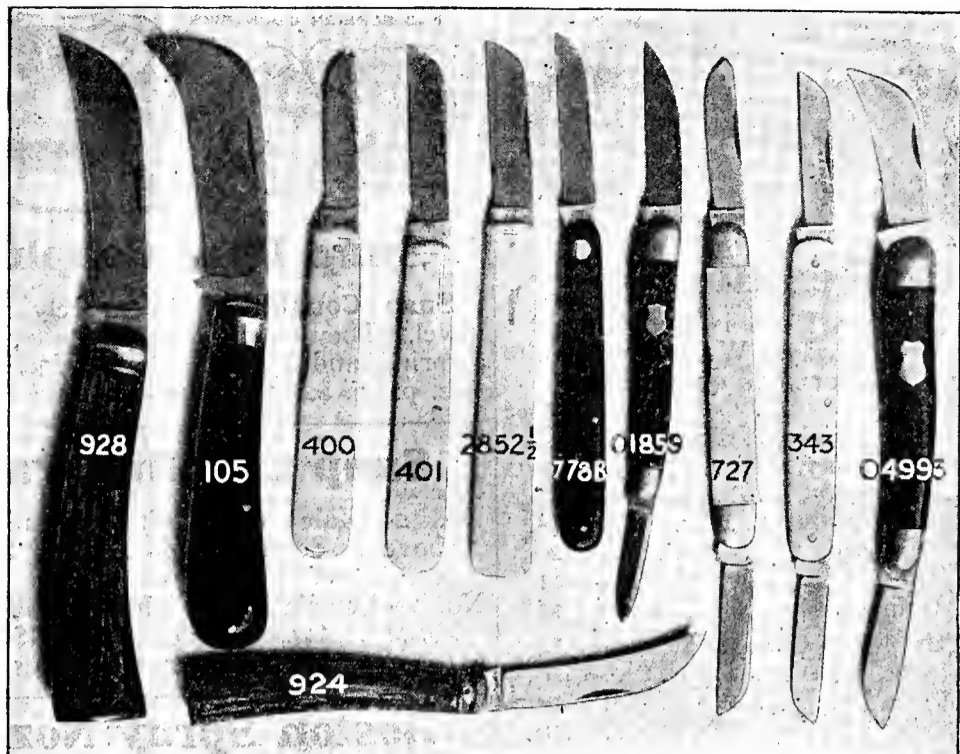

These machines are equipped with a hopper and a roller, the latter being spiked. It is turned by means of a handle and crushes the soil perfectly, avoiding the necessity to sift.

No. 1, \$15.00 | No. 2, \$20.00 | No. 3, \$30.00  
 We can also supply Wolff's Automatic Soil Sifters. Write for prices.

**Liquid Manure Distributor (See Opposite)**

This can be attached to hose with which you are watering and, connected with a barrel of liquid manure, the suction of water will draw a quantity of manure water with it. All brass.

Price, \$1.50 each. (By mail, postpaid, \$1.65.)

The effects of using Daylite Glass Cleaner

**DAYLITE GLASS CLEANER**

For taking off whitewash shading, etc. Daylite Cleaner

Is the most powerful cleaner on the market. It is self-acting—the minute it is put on the glass, it commences to work for you. All you need to do is to apply it with a brush, leave it on a few minutes and rinse off with cold water.

Will not injure paint or putty. Will always leave the glass clean and free from grease.

The cost of cleaning greenhouse glass is about one-fifth cent per square foot. One gallon will clean about 400 to 600 square feet of glass. Price, 1 gal., \$1.00; 5 gals. for \$4.50.

**Carnation Supports**

Model	Per doz.	Per 100	Per 1000

## Peerless Glazing Points 33

Nos. 1, 2, 2 1/2 Tinned.  
Nos. 1 and 2 are for single-thick glass.  
No. 2 1/2 for double-thick glass. 60c. per 1000; 5000 for \$2.75. 1000 weigh 1 lb. If desired by mail, allow for postage.

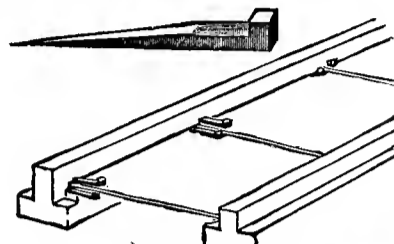

PINCERS, for driving Peerless Points, 50c. per pair.

Peerless Glazing Points

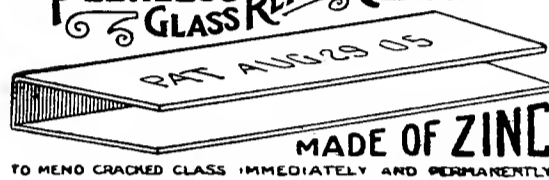

Siebert's Points. Three sizes, 5/8, 6/8 and 7/8 inch (see cut), 35c. per lb.; 10 lbs., \$3.00. If desired by mail, allow for postage.

ZINC NAILS, 5/8, 3/4 and 7/8 inch, 20c. per lb.; 5 lbs., 90c. If desired by mail, allow for postage.

Siebert's Glazing Points

## PEERLESS REPAIR CLAMP

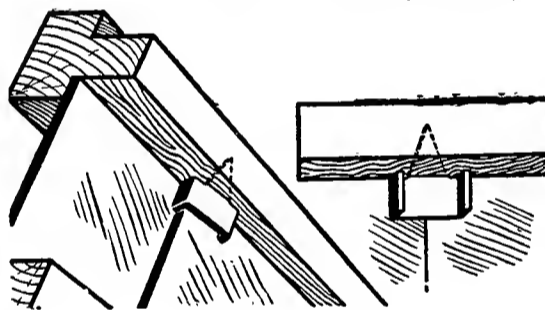

MADE OF ZINC  
TO MEND CRACKED GLASS IMMEDIATELY AND PERMANENTLY

Especially valuable for securing large lights of glass. Made of zinc, will not rust. Will save lights of glass worth from 20 cents to 30 cents each. Price, \$1.00 per 100.

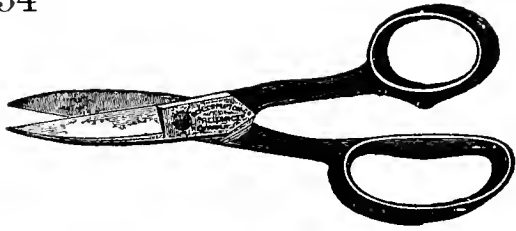

## Naumann's Brass Glazing Points

For many years there has been room for a brass glazing point that would be moderate in price. The "Naumann" is the invention of a practical florist, who knew the needs of the trade. In this point there are no rights or lefts. It is adapted either for single or double-thick glass. Is easily driven, and above all things is rust-proof, something that cannot be said of many other glazing points.

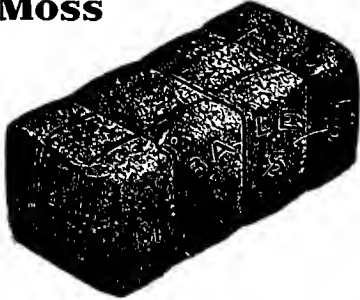

It requires only 2 for each light of glass, which is held in position most securely. 1000 points (about 1 lb.) in a package, 75c. (allow postage if desired by mail); 10,000, \$7.00.

**Wire Snips**

# Special Fertilizers for Florists

**Ashes. Canadian Hard Wood.** Apply 1000 lbs. per acre. For top dressing lawn and grass fields it is applied to best advantage either in very early spring or late fall. 25c. per 10 lbs.; 25 lbs., 40c.; 75c. per 50 lbs.; 100 lbs., \$1.35; \$2.50 per 200-lb. barrel; per ton, \$21.00.

**Blood (Dried).** Apply 300 lbs. per acre. For indoor culture of flowering plants, like roses, carnations, etc., its chief element being nitrogen. 5 lbs., 25c.; 45c. per 10 lbs.; 25 lbs., \$1.00; \$1.85 per 50 lbs.; 100 lbs., \$3.50; \$6.25 per 200 lbs.; per ton, \$60.00.

**Blood Flour.** Apply 200 lbs. per acre. Much like dried blood except that it is finer and acts almost instantly. (Price, f. o. b. Chicago, \$4.00 per 100 lbs.; 200 lbs., \$7.75; \$35.50 per 1/2 ton; per ton, \$70.00.) Price, f. o. b. Philadelphia, 5 lbs., 35c.; 60c. per 10 lbs.; 25 lbs., \$1.25; \$2.25 per 50 lbs.; 100 lbs., \$4.50; \$8.50 per 200 lbs.; 1000 lbs., \$40.00; \$78.00 per ton.

**Bone Meal. (Special Florist Brand).** Apply 600 to 800 lbs. per acre. Made from raw bone, without any addition of materials. Extensively used for lawns, greenhouse and in any case where a moderately slow stimulant fertilizer is wanted. 3 lbs., 12c.; 20c. for 5 lbs.; 10 lbs., 35c.; 65c. per 25 lbs.; 50 lbs., \$1.15; \$2.00 per 100 lbs.; 200 lbs., \$3.50; \$33.00 per ton.

**Bone Flour (Pure).** Apply 600 lbs. per acre. Very fine, like dust, effective almost immediately, can be used for indoor or outdoor purposes. 5 lbs., 25c.; 35c. per 10 lbs.; 25

lbs., 75c.; \$1.25 per 50 lbs.; 100 lbs., \$2.25; \$4.00 per 200-lb. barrel; ton, \$35.00.

**Bone (Fine Ground).** A good grade, but not so rich as our "Special Bone Meal." \$3.25 per 200 lbs.; ton, \$30.00.

**Bone (Coarse Ground).** Apply 600 to 800 lbs. per acre. Prepared from raw bones, exactly like bone meal except that it is not so fine, or quick in action, is used for the same purposes. 5 lbs., 20c.; 30c. per 10 lbs.; 25 lbs., 70c.; \$1.25 per 50 lbs.; 100 lbs., \$2.00; \$3.50 per 200 lbs.; per ton, \$33.00.

**Clay's Fertilizer.** An English chemical fertilizer, for forcing greenhouse plants and vegetables. It can be used in either dry or liquid form. 5 lbs., 50c.; 95c. per 10 lbs.; 28 lbs., \$1.75; \$3.25 per 56 lbs.; 112 lbs., \$6.00.

**Cow or Cattle Manure (Shredded).** One sack of this is equal to one cartload of cow manure, it is convenient to handle, making it possible for everyone to get this usually scarce article at all times. It takes up very little space and is indispensable for any fertilizing purpose. 100-lb. sack f. o. b. Philadelphia: \$1.50 per 100 lbs.; 500 lbs., \$6.50; \$11.50 per 1000 lbs.; ton \$22.00; F. o. b. Chicago: 100 lbs., \$1.25; \$5.00 per 500 lbs.; 1000 lbs., \$8.50; \$16.00 per ton.

**Dissolved Bone.** Apply 600 to 800 lbs. per acre. Used principally for indoor culture, although it is highly recommended for a grass top dressing. 200-lb. sacks only, \$3.25; \$30.00 per ton.

**Fish Guano or Dried Fsh.** Apply 300 to 400 lbs. per acre. For truck and plant forcing this is recommended. Also used to mix with other fertilizers to increase the ammonia analysis. In 200-lb. sacks only, \$5.50; \$50.00 per ton.

**Bone Flour (Superfine).** Carefully bolted and sifted as fine as dust, and is therefore immediately available; just the thing for rose growers. Per 125-lb. bag, \$3.15; 5 bags for \$15.00; 10 bags for \$28.50.

**Horn Shavings.** Used principally for mixing in potting soil, is rich in ammonia; especially valuable in chrysanthemum growing. 5 lbs., 30c.; \$1.15 per 25 lbs.; 50 lbs., \$2.20; \$4.00 per 100 lbs.

**Lawn Sand (Climax).** A weed destroyer as well as a fertilizer, containing a large percentage of nitrogen. Will be found very valuable for lawn use. For best results follow the directions on the packages. 3 1/2-lb. tin, 30c.; 60c. for 7 lbs.; \$1.00 per 14-lb. tin; 28 lbs., \$1.60; 56 lbs., \$2.80; \$4.80 per 112-lb. keg; 560 lbs., \$20.00.

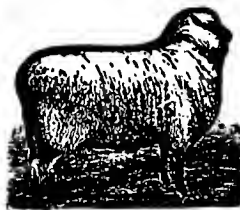

**Muriate of Potash.** Apply 100 to 150 lbs. per acre, usually with other fertilizers. This must be used with great care, as it is very powerful. Excellent for potatoes, corn, grains, etc. Analysis, equal to 50% actual potash. 30c. per 5 lbs.; 10 lbs., 45c.; \$1.00 per 25 lbs.; 50 lbs., \$1.65; \$2.75 per 100 lbs.; 200 lbs., \$5.25; \$26.50 per 1000 lbs.; ton, \$52.00.

**Nitrate of Soda.** Apply 100 to 150 lbs. per acre, mixing with land plaster or other fertilizers to render application more easy. Use only after plants are above ground. If used in liquid form dilute two ozs. to 1 gal. of water and do not apply oftener than twice a week. 5 lbs., 25c.; 50c. per 10 lbs.; 25 lbs., \$1.10; \$2.00 per 50 lbs.; 100 lbs., \$3.25; \$6.00 per 200 lbs.; 1/2 ton \$29.00; \$57.50 per ton.

**Poudrette (Native Guano).** Apply 1000 lbs. per acre. Extensively used for gardens, lawns, in making compost and in fact wherever a good, quick-acting fertilizer is wanted. It is odorless and easily handled. 5 lbs., 15c.; 25c. per 10 lbs.; 25 lbs., 50c.; 100 lbs., \$1.25; \$2.25 per 200 lbs.; 600 lbs., \$6.00; \$8.50 per 1000 lbs.; per ton, \$16.00.

**Sulphate of Potash.** Apply 100 to 125 lbs. per acre, usually with other fertilizers. On account of its great strength it must be used judiciously. Valuable for root and grain crops. Analysis equal to 50% of actual potash. 5 lbs., 35c.; \$1.00 per 25 lbs.; \$1.75 per 50 lbs.; 100 lbs., \$3.25; \$6.00 per 200 lbs.

**Sulphate of Ammonia.** Apply 75 to 100 lbs. per acre only with other fertilizers deficient in nitrogen. This material will stimulate growth almost immediately. Analysis, equal to 25% of ammonia. 30c. per 5 lbs.; 10 lbs., 55c.; \$1.25 per 25 lbs.; 50 lbs., \$2.50; \$4.75 per 100 lbs.; 1/2 ton, \$42.50; \$82.50 per ton.

**Sheep Manure (Wizard Brand).** Apply 1000 lbs. per acre. For garden, lawn or greenhouse use nothing surpasses sheep manure, it is clean and easily handled, besides giving immediate results. Prices, f. o. b. Philadelphia, 20c. per 5 lbs.; 10 lbs., 30c.; 50c. per 25 lbs.; per 100 lbs., \$1.50; 500 lbs., \$7.00; \$13.50 per 1000 lbs.;

per ton, \$25.00.

**Sheep Manure (Wizard Brand).** F. o. b. Chicago: 100 lbs., \$1.25; \$6.00 per 500 lbs.; 1000 lbs., \$10.00; \$18.00 per ton.

**Soot (Imported Scotch).** This is used principally for bringing a good healthy color into the foliage of chrysanthemum and other greenhouse plants. Also destroys insects and grubs that work on top of and underneath the surface. 5 lbs., 25c.; 40c. for 10 lbs.; 75c. per 25 lbs.; 112 lbs., \$2.75; \$12.50 for 560 lbs.

**Tankage.** This is usually applied to plants such as roses, etc., under glass. It is similar to dried blood. 5 lbs., 25c.; 40c. per 10 lbs.; 25 lbs., 75c.; \$1.25 per 50 lbs.; 100 lbs., \$2.00; \$3.50 per 200 lbs.; ton, \$32.00.

**Thomson's Special Flower, Vegetable and Vine Manure.** Imported from England, this excellent chemical fertilizer is extensively used wherever it is desired to force flowers or vegetables. 28 lbs., \$1.60; \$3.10 per 56 lbs.; 112 lbs., \$6.00.

**Thomson's Special Chrysanthemum Manure.** Especially recommended and used by the leading gardeners of England and America. Very highly concentrated. Can be used in liquid and in dry form. Per 28-lb. sack, \$4.00; per 56-lb. sack, \$6.75.

# NICOTICIDE

## Spraying and Fumigating Compound

An Insecticide guaranteed by P. R. Palethorpe Co., Incorporated, Clarksville, Tenn., under Insecticide Act of 1910. Serial No. 24.

GALLON	-----	\$15 00
HALF-GALLON	-----	8 25
QUART	-----	4 50
PINT	-----	2 50
ONE-HALF PINT	-----	1 25
ONE-FOURTH PINT	-----	70

**FUMIGATING:** See that the windows and doors are closed. Fill the spirit lamp half full with wood spirit, and light. Place the wire frame over the lamp. Measure the required quantity of the compound into the pan which should not be filled over the rim (the measure supplied contains one ounce.) and place same on the wire frame over the lamp. Leave the house at once and do not enter again for at least two hours. The lamp will die out shortly after the 'NICOTICIDE' has evaporated. We recommend that the house should be fumigated the last thing in the evening and not entered again until the following morning. If house has steam heat the pipes may be painted or use ordinary engineer's oiling can with spout and handle, having hole in spout equal to ordinary knitting needle. Run small stream on steam pipe when full of steam producing heavy fumigation. Fumigate (or spray) whenever bugs show themselves. A few bugs if left alone multiply so rapidly they soon do great damage.

**SPRAYING:** One ounce to 10 or 15 gallons of water is generally effective, if sprayed often at first each time from a different direction. Spray is better with addition of soap, one ounce to two gallons. The spray should be repeated at intervals to kill the young as they hatch out.

When spraying or fumigating for Mealy Bug or Spider we recommend that NICOTICIDE be applied more freely and in stronger solutions, which also will be essential in cases where plants have been extraordinarily infected by insects.

Those not familiar with the use of NICOTICIDE are advised to try it on a small scale so they can see just what it will do and avoid using more than necessary.

**Lamp and Fumigator Complete Cost You 50 Cents.**

**Fumigating Directions on Each Package.**

## MICHELL'S SEED HOUSE

SEEDS AND POULTRY SUPPLIES

518 Market St., PHILADELPHIA.

"Evergreen" Seed Gardens, Andalusia, Pa.

## **"AMERICAN GARDENING"**

**Says**

Tried at the advertised strength, so far as our experimnets have gone, MEALY BUG, BLACK and GREEN APHIS and RED SPIDER have been killed and the only injury done was to the adiantum fronds named, no other plants suffered at all.

## **"HORTICULTURE"**

**March 13, 1909 Says**

One of the most effective substitutes for tobacco stems, and at the same time least injurious to plant life, that has come under the writer's observation is NICOTICIDE. The chief drawback to this preparation is its expense, but if used carefully and at the proper time, this may be kept within reasonable bounds.

Circular No. 19 of the Massachusetts Agricultural Experiment Station recommends the use of NICOTICIDE as a fumigant.

## **"AMERICAN FLORIST"**

**June 28, in article on RED SPIDER on Carnations Says**

We use NICOTICIDE for keeping this and other pests down. By painting one of the steam pipes with the preparation about every 10 days we have very little trouble from this source, but if we find spots where the spider has made its appearance, we mix a little NICOTICIDE in water just enough to lightly color, and spray the affected plants.

## **"AMERICAN FLORIST"**

**July 25, 1908, Says**

TO KILL APHIS on sweet peas out doors is a simple process. Use a good spray pump, either knapsack of compressed air and spray with NICOTICIDE. IT IS VERY IMPORTANT TO USE THE PROPER INSECTICIDE, so as not to taint buds or flowers. APHIS are more resistant outside than inside hence use more NICOTICIDE in proportion and apply in the evening instead of morning, so it will dry more slowly, giving it more killing power.

## **"GARDENING MAGAZINE"**

**August 15, 1908**

Also advises use of NICOTICIDE for APHIS out doors and says it is important to use the proper insecticide.

## **"AMERICAN FLORIST"**

**August 8, 1908 treating of THRIP on Chrysanthemums Says**

Keep a close watch and spray with NICOTICIDE directly the first signs of insects are seen. And if you leave any plants near these that are clean, be very careful to spray these regularly, and fumigate until the insects are killed.

## **"AMERICAN FLORIST"**

**July 6, 1908 treating of Thrip on Carnations Says**

"Dry up the atmosphere before night fall to prevent any injury from the latter (i. e. night moisture) and do not spray when the

sun is very bright—just damp around the plants. For THRIP spray with NICOTICIDE according to directions and fumigate regularly twice a week until they are got rid of.”

**“HORTICULTURE” MARCH 14, '08**  
**Speaking of NICOTICIDE Says**

It will injure tender ferns, and goes on to say “but it is as safe as, and kills more insects than any other insecticide I have tried.”

**“GARDENING” JULY 15, '07, ADVISES**  
**THE USE OF NICOTICIDE FOR**  
**THRIP.**

**“THE AMERICAN HOME**  
**MONTHLY”**

**For January, 1910 Speaking of insects on**  
**Plants Says**

“The best method of dealing with this enemy is frequent applications of extracts of tobacco plant sold under the name of NICOTICIDE. This extract is very strong, and a tablespoonful to a ten quart pail of water will generally be quite sufficient to kill all the young Aphides and prevent the older ones from doing much harm. It is almost impossible to completely exterminate them but frequent applications of the insecticide named will keep them under control. But it must be used regularly, as this insect propogates its species with wonderful rapidity and a little interval of neglect to act on the defensive will allow it to spread all over one's plants. I

would advise making it a rule to use it at least once a week during the winter season when conditions are favorable for the increase of this pest."

## "INDOOR GARDENING"

By Eben E. Rexford.

Published by J. B. Lippencott Co. Feb. '10.

All one has to do in making use of NICOTICIDE is to dilute it with water according to the directions on the can or bottle in which it is sent out, and spray it over the plants, or in case they are badly infested to dip them in it. It is sure death to every APHIS it comes in contact with if used as directed. It is some trouble to use the infusion, and some expense is connected with it, but these items are so light as compared with the benefits resulting, that no lover of flowers has any excuse for allowing plants to be injured by this universal pest.

## SOME HINTS AS TO USE

The following are extracts from letters from Florists.

"In a house of roses 200x30, 14 feet high, I found that six lamps, six ounces of the NICOTICIDE were sufficient to effectually destroy the green fly.

"In my carnation house I found four lamps quite sufficient and all that was necessary in the same size house. With violets we placed two lamps in a 14x100 foot house with splendid results—three ounces with the steam effectually cleaned the fly out. Spraying one ounce to twelve gallons of water for roses, one ounce to sixteen gallons of water for carnations, one ounce to twenty gallons of water for violets does the work."

"It is the best insect destroyer that I have ever tried. It is all you claim for it, but a little hard on young fronds of ferns."

"One application is sufficient to get a house clean of aphid, red spider, etc., and two applications destroyed every mealy bug."

"The four ounce can killed all the green fly in two houses, each 20x100 feet, the first time I fumigated with the compound."

"First application kills all aphid, second all mealy bug and red spider. I have mixed plants—ferns, palms, roses—NICOTICIDE hurts nothing but insects, but it puts them to sleep that knows no awakening."

"It is better not to wait until the THRIP attacks the buds. They certainly must be in the house before the buds show AND THAT IS THE TIME TO KILL THEM. I spray roses with NICOTICIDE every other day one 2½ ounce pot full to 5 gallons water applied with a force pump. I also apply NICOTICIDE to steam pipes every other night and I can assure you I have no trouble with thrip. The secret is to keep getting after them. Kill the thrip before it gets rolled up in a tight bud and keep it killed."

## FUMIGATING

### FOR GREEN FLY OR APHIS.

In most cases one ounce will be sufficient for 4,000 cubic feet and when the house is quite tight even a smaller quantity is frequently found sufficient. If all plants infected with aphid are collected at one end of the house, one fumigator placed in a central position amongst them will readily destroy these bugs.

### RED SPIDER AND MEALY BUG.

Use full strength, one ounce every 2,000 cubic feet, distributing fumigators evenly.

Atmosphere and soil should both be moist, and it is better to fumigate on a cloudy day or night, always avoiding sunshine during operation.

### TO MEASURE THE HOUSE.

Multiply the length in feet by the breadth in feet, then multiply the result by the average height in feet; the result is the number of cubic feet. To ascertain the average height, add the height from floor to ridge pole to height from floor to gutter, and divide by two.

In conclusion use great care in treating easily injured plants or flowers as adiantums, violets, etc. Two applications may be made at diminished strength instead of one.

*"Fibrotta"*

*"Fibrotta"*

**ROLLING STANDS**

This device consists of two steel crosspieces securely riveted and equipped with castors; a strong and compact support for plants, can be readily rolled about from place to place without injuring the floor or carpet.

These rolling stands are finished in mahogany.

No	Approx. Outside Diameter	Takes Tub Diameter at Bottom	MAHOGANY	
			Each	Per Doz.
12	12 in.	10 in.	\$ .50	\$ 5.61
14	14 in.	11 in.	.59	6.63
16	16 in.	13 in.	.72	8.16

20	20 in.	17 in.	.99	11.22
22	22 in.	20 in.	1.24	14.02

**JARDINIERE PLANT TUBS**

These are, beyond question, the most satisfactory Plant Tub made. They are superior to wooden or earthenware pots; very durable, easily cleaned and especially adapted for use about the house, on piazza, for hotel corridors and rotundas, etc., or for the display of plants in the store.

They have drainage and ventilation holes, and unless otherwise ordered, are furnished with saucers, complete, ready for use.

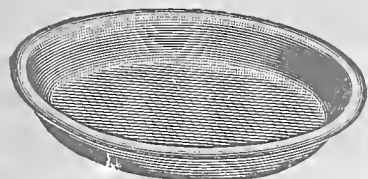

No.	Outside Diameter at Top	MAHOGANY		GREEN

No. 14 fits No. 14 Rolling Stand.

No. 18 fits No. 20 Rolling Stand.

*"Fibrotta"*

## SAUCERS

Indurated Fibre is an exceptionally good material for flower pot saucers.

Light, not easily broken, easy to clean. Will not sweat through and mould, and its surface will not scratch woodwork, as earthenware does.

Durability makes "Fibrotta" saucers exceptionally economical and they are more satisfactory in every way than those made of earthenware.

Plain mahogany finish constantly in stock. Enameled green on special order; price extra.

No.	Outside Diameter About	MAHOGANY

*"Fibrotta"*

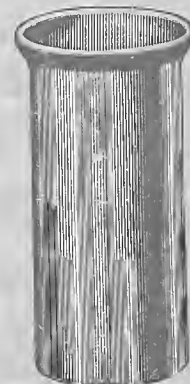

## FLORISTS' VASES

are almost too well known and used too extensively to require description.

For displaying cut flowers on the counter these vases are unexcelled. Also for use in florists' refrigerators, etc. They are not easily broken as is earthenware and do not rust out like metal vases. They keep water cool for a long time.

Rich and handsome in appearance, easily cleaned and durable.

Plain mahogany finish constantly in stock. Enameled green on special order; price extra.

Sold by  
**MICHELL'S SEED HOUSE**

Seeds and Poultry Supplies

518 Market St. Philadelphia  
"Evergreen" Seed Gardens, Andalusia, Pa.

# HEADQUARTERS FOR INSECT DESTROYERS.

Prices subject to market changes

- Antipest (Carman's).** Used for destruction of scale, red spider, green fly, etc. 45c. per qt.;  $\frac{1}{2}$  gal., 65c.; \$1.25 per gallon.
- Aphine.** For destroying aphids, green fly, thrip, red spider and other greenhouse and outdoor insects. It dilutes readily in water about 1 part to 40 of the latter.  $\frac{1}{4}$  pt. 25c.; 40c. per  $\frac{1}{2}$ -pt.; per pt., 65c.; \$1.00 per qt.; gal., \$2.50.
- Aphis Punk.** A paper that has been thoroughly saturated with nicotine. Used for fumigating. Excellent for aphids, thrip, white and green fly, also red spider. (For use in greenhouses only.) Per pkg., 60c.; \$6.50 per 12 pkgs.
- Arsenate of Lead (Powder).** 1 lb. 30c.; \$1.40 for 5 lbs.; 10 lbs., \$2.60; \$5.50 for 25 lbs.; 50 lbs., \$10.50.
- Arsenate of Lead (Paste).** For spraying trees and shrubs against the attacks of leaf-biting insects of all kinds. It comes in paste form, and dilutes 1 lb. to 25 gals. water. Per lb., 20c.; 80c. per 5 lbs.; per 10 lbs., \$1.40; \$3.10 per 25 lbs.; per 50 lbs., \$5.25; per 100 lbs., \$9.50.
- Bordeaux Mixture.** Used principally for mildew, blight and fungous diseases that affect potatoes and fruit trees, etc.
- Paste or Pulp Bordeaux.** One part dilutes to 50 parts of water. Per qt., 35c.; 90c. per gal.; 5 gals., \$4.00.
- Quick Bordeaux (in dry form).** A combination of the proper materials put up in burlap sacks. Suspend the sack in a barrel of water or other receptacle and let the contents dissolve. 1 lb. pkg., 18c.; 5-lb. sack makes 25 gals. liquid, price 50c. 10-lb. sack makes 50 gals. liquid, price 90c.
- Copper Solution.** Made of sulphate of copper and other materials. A good thing to use for leaf blight and mildew. It is diluted in water. Per qt., 50c.; \$1.60 per gallon.
- Cyanide Potassium.** (For fumigating.)  $\frac{1}{4}$ -lb. 20c.; 45c. lb.
- Dalmatian or Persian Powder.** For ridding buildings of all kinds of various insect pests, particularly the smaller and creeping kinds, as it is not strong enough to destroy large insects. 12c. per  $\frac{1}{4}$ -lb.; per lb., 40c.; \$1.75 per 5 lbs.
- Disparene (Bowker's).** A trade name for a brand of Arsenate of Lead, which it resembles in every way. Dilute 1 lb. to 25 gals. water. Price, 25c. per lb.; 5 lbs., 90c.; \$1.60 per 10 lbs.; 25 lbs., \$3.75; \$6.50 per 50 lbs.; \$12.00 per 100 lbs.
- Fir Tree Oil Soap.** It is dissolved according to directions in warm or hot water and used as a spray or wash. Per  $\frac{1}{2}$ -lb., 20c.; 65c. per 2-lb. can.
- Fungine.** An excellent article for fungous diseases of all kinds. Qt., 75c.; \$2.00 per gal.
- Grape Dust.** A powder preparation used for mildew, aphids, black fly, and other insects and fungous diseases, principally in greenhouses. Per 5 lbs., 35c.; 65c. per 10 lbs.; per 25 lbs., \$1.50; \$5.25 per 100 lbs.; 200 lb. barrel, \$10.00.
- Hellebore.** The ideal material for destroying rose bugs, currant worms, and other soft-shelled insects that infest the garden. It can be applied dry or in liquid form. Per  $\frac{1}{4}$ -lb., 8c.; 12c. per  $\frac{1}{2}$ -lb.; per lb., 20c.; per 5 lbs., 85c.; per 10 lbs., \$1.60.
- Getz-There Soap.** For washing palms. 2 lbs., 30c.; 80c. for 8 lbs.; \$1.90 per 25 lbs.; 50 lbs., \$3.50; bbl.,  $5\frac{1}{2}$ c. per lb.
- Kerosene Emulsion.** An excellent spray for all mild forms of scale, and soft lice of any kind such as infest rose and fruit bushes, vegetables and trees. Liquid dilutes 1 part to 20 parts of water. (Paste.) Per lb., 18c.; per 5-lb. can, 70c.; per 25-lb. can, \$2.90. (Liquid.) Per qt., 35c.; per gal., 90c.
- Lemon Oil Co.'s Standard Insecticide.** The best and cheapest insecticide in the market. Used now by nearly all the leading growers. It effectually destroys mealy bug, scale, thrip and red spider.  $\frac{1}{2}$ -pt., 20c.; pt., 35c.; qt., 65c.;  $\frac{1}{2}$ -gal., \$1.10; gal., \$1.75; 5-gal. kegs, \$8.00; 10-gal. kegs, \$15.00.
- Lime Sulphur.** For destroying San Jose Scale. This is in concentrated form which is diluted 1 gal. to 12 or 15 gals. water, either hot or cold. May be used as a summer or winter spray, excellent to use as a fungicide. Qt., 20c.; 40c.  $\frac{1}{2}$ -gal.; 1 gal., 60c.; \$1.50 per 5 gals.; 10 gals., \$2.60; \$4.75 per 25 gals.; 50 gals., \$7.25.
- Nicoticide.** Used as a spray or as a vapor, principally in the latter way. It is very effective in destroying thrip, aphids, white fly and red spider, etc. Per  $\frac{1}{4}$ -pt., 70c.; per  $\frac{1}{2}$ -pt., \$1.25; per pt., \$2.50; qt., \$4.50; \$8.25 per  $\frac{1}{2}$ -gal.; 1 gal., \$15.00. (Special price in larger quantities.) Lamps for Nicoticide, 50c. each.
- Nico-Fume.** This is a paper treated with nicotine, giving off dense fumes of strong nicotine when ignited. Preferred by many who do not wish to spray or vaporize. Per box, 24 sheets, \$1.00; per 144 sheets, \$4.50; per 288 sheets, \$8.50; \$48.45 for 6 cans, 288 sheets each; 12 cans, \$94.35; \$183.60 for 24 cans.
- Nico-Fume (Liquid).** This is used in very much the same way as Nicoticide. A modern article for either spraying or vaporizing.  $\frac{1}{4}$ -lb. cans, 60c.; \$2.00 per 1 lb. can; 4-lb. can, \$7.00; \$13.50 per 8-lb. can; 5 eight lb. cans, \$64.10; 10 eight lb. cans, \$124.90; 20 eight lb. cans, \$243.00.
- Nikoteen.** A most satisfactory spray as well as vapor, excellent for green fly in greenhouses.  $\frac{1}{2}$ -oz. 15c.; 40c. for 2 ozs.;  $\frac{1}{2}$ -pt., 75c.; \$1.50 per pt.; 5 pts., \$7.00; \$13.00 per case of 10 pt. bottles; per gallon, \$10.00.
- Paris Green.** The chief merit of this article is the destruction of the potato bug. It may be used in liquid form, 1 pound in 50 gallons of water; or with Land Plaster at the rate of 1 pound Paris Green to 100 pounds Land Plaster. 10c. per  $\frac{1}{4}$  lb.; per  $\frac{1}{2}$  lb., 15c.; 30c. per lb.; \$1.25 per 5 lbs.; per 14 lbs., \$3.00.
- Pyrox (Bowker's).** A pasty substance used for all leaf-biting insects. It is really a Bordeaux and Arsenate of Lead combined and is excellent. Dilute 1 lb. to 5 gals. water. 25c. per lb.; 5 lbs., \$1.00; \$1.75 per 10 lbs.; 25 lbs., \$4.00; \$7.50 per 50 lbs.; \$13.50 per 100 lbs.; 200 lbs., \$26.50; \$62.50 per 500 lbs.
- Slug Shot.** The standard remedy for currant worms, rose slugs, cabbage worms, and almost any soft-shelled insects that infest the vegetable or flower garden. 15c. per lb. canister; per 5 lbs., 30c.; 60c. per 10 lbs.; 25 lbs., \$1.50; \$2.50 per 50 lbs.; 100 lbs., \$5.00. Full bbl. lots (about 250 lbs.), f. o. b. Factory,  $4\frac{1}{2}$ c. per lb.;  $4\frac{3}{4}$ c. per lb., f. o. b. Phila.
- Sulphate of Copper.** For destroying fungous diseases of all kinds, also used in making Bordeaux Mixture. Where used as a Bordeaux Mixture it requires 4 pounds Sulphate of Copper to 6 pounds Lime, which is diluted in 50 gallons of water. Per lb., 10c.; 90c. per 10 lbs.; 50 lbs., \$4.00; \$7.50 per 100 lbs.
- Sulphur (Flowers).** Used principally in greenhouses for checking mildew. Per lb., 6c.; 25c. per 5 lbs.; 25 lbs., \$1.10; \$3.50 per 100 lbs.; 175-lb. barrel, \$5.90.
- Sulpho Tobacco Soap.** Especially good for destroying scale on palms and other plants. Soluble in warm water. Per 3-oz. package, 8c.; 15c. per 8-oz. package; in 10-lb. cakes, \$2.00 per cake; 25 lbs., \$4.50.
- Sulphocide.** An excellent summer spray for fungous diseases, combining Bordeaux Mixture and Lime Sulphur. 50c. pt.; qt., 75c.; \$2.00 per gal.; 5 gals., \$7.50.
- Tobacco Dust.** Excellent for fumigating, dusting on Lettuce and other plants to destroy soft, creeping insects.
- Regular Dusting Grade, per lb., 5c.; 20c. per 5 lbs.; per 10 lbs., 35c.; 75c. per 25 lbs.; 100 lbs., \$2.50; \$11.75 per 500 lbs.
- Special Fine Dusting Grade. A specially prepared, finely ground article. 5 lbs., 25c.; 25 lbs., 85c.; \$1.50 per 50 lbs.; 100 lbs., \$2.50.
- Special Fumigating Grade. A specially prepared article for fumigating. 5 lbs., 25c.; 25 lbs., 85c.; \$1.50 per 50 lbs.; 100 lbs., \$2.50.
- Tobacco Stems (Fresh).** Used for fumigating in greenhouses. They may also be steeped in hot water and used as a spray. Per lb., 5c.; 40c. per bu.; per bbl. bag, 75c.; per large bale, \$1.50; \$5.50 per half-ton; per ton, \$10.00.
- To-bak-ine Fumigating Paper.** Very much like Aphis Punk, which it resembles. It is used in exactly the same way as Aphis Punk. Per package, of 24 sheets, \$1.00; \$4.00 per box of 144 sheets; 288 sheets, \$8.00.
- To-bak-ine Liquid.** Similar to Nicoticide; it is used in the same manner, and is practically the same, excepting that it is made by a different factory, and they claim for it everything that goes to make up a first-class insecticide; two grades, fumigating and spraying, state which is wanted when ordering.  $\frac{1}{8}$  pt., 50c.;  $\frac{1}{4}$  pt., 75c.; \$1.35 per  $\frac{1}{2}$  pt.; per pt. \$2.50; \$9.00 per  $\frac{1}{2}$  gal.; per gal., \$17.50; \$85.00 per 5-gal. can.
- Tree Tanglefoot.** A paste preparation for painting around the trunk of trees, in the form of a band, and insects and other crawling pests cannot get over it. Per lb., 28c.; 3-lb. cans, 80c.; 10-lb. cans, \$2.50; 20-lb. cans, \$4.50; 40-lb. cans, \$8.50.
- Vaporite.** Vaporite is a non-poisonous powder which, when it comes into contact with soil, gives off a vapor, killing all underground insects such as Wireworms, etc. Vaporite is for soil application—not for the leaves of the plant. Vaporite should be uniformly distributed on the surface or in the soil among the insects, so that the gas evolved may destroy them. 1 to  $1\frac{1}{2}$  lbs. is enough for a cubic yard of soil (about 1 cart load). 50c. per 5 lbs.; 25 lbs., \$1.75; \$3.25 per 50 lbs.; per 100 lbs., \$6.25.
- Vermine.** For sterilizing soil to destroy worms, maggots, etc.  $\frac{1}{2}$  pt., 40c.; 65c. per pt.; per qt., \$1.00; \$3.00 per gal.
- Whale or Fish Oil Soap.** For mild forms of Scale, also an excellent summer spray. Dissolved in water according to various purposes. Per  $\frac{1}{2}$  lb., 8c.; 15c. per lb.; per 5 lbs., 55c.; \$1.00 per 10 lbs.; per 25 lbs., \$1.60; \$6.00 per 100 lbs.

# MICHELL'S

THE MOST ECONOMICAL  
TUB FOR THE FLORIST

## KEYSTONE PLANT TUB

PLANTS, large or small, appear always to better advantage when planted in tubs instead of pots. They are easier handled because they are much lighter in weight; they are more attractive and bring a higher price. Tub has welded hoops, except bottom hoop, which is flat, (and neat handles, when desired, at extra prices as mentioned below). Unlike pots, they do not break, nor do they require special packing when used in shipping. Made of white cedar, they are by far the *cheapest, neatest, lightest, and best* florist tub put on the market.

Please note the full assortment of sizes, all of them being painted inside and out and their tops finished round bevel.

A plant in a tub sells quicker and for more money than one in a pot.

No.	Inside Top Diam.	Inside Bottom Diam.	Depth	Thickness of Stave	Price Each	Price Dozen	Price Per 100
1	6	5	6	3/8	\$0.25	\$2.50	\$20.00
2	7	5	7	3/8	.28	3.00	24.00
3	8	6	8	3/8	.30	3.25	25.00
4	9	7	9	3/8	.35	3.50	26.00
5	10	7 1/2	9	7/16	.40	3.75	30.00
6	11	8 1/2	10	1/2	.45	4.75	37.50
7	12	9	11	1/2	.50	5.75	47.50
8	13	10	12	1/2	.65	7.00	57.50
9	14	11	13	5/8	.70	7.75	62.50
10	15	11 1/2	14	5/8	.80	8.75	71.00
11	16	12 1/2	15	5/8	.95	9.75	77.50
12	17	13 1/2	16	5/8	1.00	11.25	92.00
13	18	14 1/2	17	5/8	1.30	14.00	115.00
14	19	15 1/2	18	5/8	1.45	17.00	135.00

### SPECIAL No. 2 PAIL TUBS

The best low-priced palm tub on the market, painted green, with electrically welded hoops. Diameter inside 10 1/4 inches at top, diameter inside 8 3/4 inches at bottom, depth 8 inches. 30 cents each, \$3.00 per doz., \$22.50 per 100. Always specify Pail Tub when ordering this.

None of these Tubs are equipped with handles at the above prices.

If stamped steel side handles are wanted, add 7 cents to the price of each Tub in single or dozen lots; 6 cents each in 100 lots. These handles are sold not attached to the tub.

## RUBBER HOSE

EVERY florist knows how difficult it is to get hose that will stand all the rackets of the greenhouse, and we can't help recommending "Electric Hose" in the highest terms. It's mighty tough, very flexible, and best of all it's a wearer with a record behind it; can be had any length up to 500 feet; made by the inventors of and it is still the "original" continuous length hose. "Electric Hose" is more than a good hose—it's the *BEST*. That is why it is called:

"The hose without woes,  
As the wise buyer knows."

(Write for a free sample.)

1/2 inch . . . . . 14 1/2c. per foot  
3/4 inch (\$78.00 for 500 feet) . . . . . 16c. " "
